

Scoring Points in Science – 2016-17

Classwork and Homework (10 points) – How to earn 10 points:

- Write your name, grade, and date on the top of your paper
- Turn it in on time (Otherwise, you lose 1 point per day)
- Your work is neat
- You use complete sentences when appropriate
- You have fewer than 5 spelling and grammar errors
- You answer the questions asked
- You write a logical conclusion, if one can be made

Quizzes and test will range from 10 to 100 points

Projects will range from 50 to 100 points

Daily behavior points:

- Follow class rules: be safe, be kind, and be respectful
- Have good teamwork during activities
- Bring your supplies daily (book, spiral, pencil, planner, and binder paper.)
Sometimes you will be asked to bring graph paper, scissors, colored markers or pencils, a calculator, and/or a ruler.
